

# BOBO CAMPERS FUNX (4x4)

## 2 berth motorhome

The Bobo Campers off-road motorhome, the Discoverer FunX, is built on a rugged Nissan NP300 4x4 chassis. It has luxuries unseen in off-road models, like a full kitchen and on-board toilet. A favourite among those discoverers that go far into the bush. Clever touches to reduce the centre of gravity factor were to lower the roof height with 8cm and replace all top cupboards with canvas structures.

### Look Inside the Discoverer FunX (4x4)

[Take a 360° look at the Discoverer FunX \(4x4\) interior, including day & night layouts.](#)
