Applying for your Storage Facility

Store your outfit on our UK Club Campsites

We have 41 UK Club campsites with Storage Facilities, some of which have 24 hour CCTV in operation, controlled access and staff on site. You can choose from all-year, seasonal (i.e. for the main touring season) or temporary storage (i.e. a few weeks or a couple of months) to suit your needs.

Why not consider storing your outfit on or near your favourite Club campsite, or perhaps keep it closer to home? Storing your outfit on our UK Club campsites is affordable starting from just £1.18* per day.

All Year Storage

Store your outfit all year round at a number of campsites across the Club network. Please contact the relevant site directly with enquiries and to make a new booking. Members who currently take advantage of All Year Storage will be contacted about renewals in mid-November.

Seasonal Storage

These are the most popular Storage Pitches, where you can store your outfit on site for the main touring season. Complete the attached booking form – see below for details.

Temporary Storage

Store your outfit for a few weeks or a couple of months at a campsite that offers Storage Facilities. Contact the relevant campsite directly to make a booking.

Online application form

In the last few years we've introduced a new online application form for anyone paying by Direct Debit. Please complete the form [here](#).

Store and Tow service from just £25

We'll once again be offering our Store and Tow service at four Club campsites in 2024; Carnon Downs, Looe, Ramslade and Treamble Valley. If you store your outfit on-site and subsequently book a touring pitch for a stay at the same location, we will make sure your holiday is hassle-free by towing your outfit on to your pitch prior to your arrival. After your stay, site staff will return your outfit to the storage area for you! For more information and FAQs see camc.com/storage

2 PURPOSE

2.1 Storage bookings are for the use of Members who wish to store their Outfit in a Storage Compound or Storage Area on a Campsite for the entirety of a specified period.

3 LICENCE AGREEMENTS

3.1 The Club Terms and Conditions apply to all Members who use a

Storage Pitch.

3.2 Members wishing to store their Outfit are required to enter into the Club's form of Licence, which incorporates these Terms and Conditions of Storage. The Licence will state whether it is an annual, seasonal or temporary Licence.

3.3 Access to the Storage Pitch will not be given until a Licence is completed and signed and payment of the relevant fee has been made in accordance with clause 4 below.

4 STORAGE FEES

4.1 Payment of the Annual or Seasonal Storage Fee must be made in one of the four following ways:

- in full by Visa or MasterCard
- in full by cheque made payable to the Caravan and Motorhome Club
- in full by one single payment by direct debit
- by four consecutive equal monthly direct debit instalments (but see paragraphs 4.9 and 4.11). This option is not available for temporary storage.
- Please note that vouchers will not be accepted as payment for any type of storage pitch and cash will only be accepted for temporary facilities (see clause 5.1)

4.2 The fees quoted include VAT at the prevailing rate at the time of initial payment. It is possible that the final payment may exceed the quoted price by a few pence, due to the way the cost is calculated when paying by instalments.

Annual Storage - Renewals

4.3 If you have an annual Licence you will be invited to renew the Licence each year, subject to the Terms of the Agreement. Renewal invitations are normally sent out by the Club in November in the year the annual Licence is due to expire. The renewal invitation will set out the Storage Fee and the Terms and Conditions of Storage for the renewal.

4.4 If you wish to renew an annual Licence you must:

- if paying by Direct Debit, submit to us your bank details, with your signed authority for us to collect payment from your bank, by 15 December 2023 and you must make the first payment no later than 31 January 2024; or

(b) if opting to pay the renewal Storage Fee in a single payment by any method, pay the renewal Storage Fee no later than 31 December 2023;

4.5 If you do not provide the details and make the payment required in clause 4.4, your Licence Period will not renew and you must remove your Outfit from the Campsite in accordance with the terms of the Licence.

4.6 If you do not wish to renew your annual Licence you must remove your Outfit from the Campsite on or before the expiry date of the current Licence Period, in accordance with the terms of the Licence. Please inform the Site Staff prior to the removal of your Outfit from the Campsite.

4.7 By paying the renewal Storage Fee, either in a single payment or by paying the first instalment, you enter into a fresh Agreement with the Club on the terms set out in the Licence and the Terms and Conditions of Storage (as provided with the renewal invitation). This fresh Agreement commences when you make that payment and the renewed Licence Period commences on 1 January following the expiry of the current Licence Period.

Annual Storage - New Bookings

4.8 The Storage Fee for a new annual Licence is payable by the methods set out in clause 4.1 at the time of booking. The fee will be the Club's annual storage fee, adjusted pro rata from the start date to 31 December in the year the Licence is entered into.

4.9 Payment by direct debit instalments under clause 4.1 will not be accepted by the Club if any of the instalments would fall due after 1 August in the year the Licence is entered into. In this case, payment must be made by single direct debit, Visa, MasterCard or cheque.

Seasonal Storage

4.10 If you have a Seasonal Storage Licence you will not be invited to renew, but you may apply for a new Seasonal Storage Licence. Applications can only be made by completing the Advance Booking Form 2024/2025. The Club is not obliged to offer you a new Seasonal Storage Licence.

- 4.11 The Seasonal Storage Fee is payable via the methods set out in clause 4.1, either as a single payment at the time of booking or in instalments beginning at the time of the booking. Payment by direct debit instalments will not be accepted by the Club if any of the instalments would fall due after the end date of the Licence. In this case payment must be made by single direct debit, Visa, MasterCard or cheque.
- 5 TEMPORARY STORAGE**
- 5.1 Fees are payable on arrival to the Site Staff, by the week, as a minimum. Available payment option is card only. Please also see clause 4.1.
- 5.2 Temporary Storage Pitches are bookable directly with the Site Staff, please contact the Campsite directly to check availability.
- 5.3 ID will be required on arrival.
- 5.4 Barrier cards/keys will not be issued to Temporary Storage Pitch Holders – Site Staff will assist with barrier entry and exit arrangements.
- 6 NON PAYMENT OF SITE FEES**
- 6.1 If you do not make a payment to the Club when it falls due the Club may terminate the Licence Period. If the Club does so you must remove the Outfit from the Campsite in accordance with the terms of the Licence.
- 6.2 Failure to pay when fees are due may also result in suspension of membership of the Caravan and Motorhome Club until such time as all outstanding fees are paid. The Caravan and Motorhome Club has a right of lien over the item stored until such times as the fees are paid. Failure to pay the fees may result in the disposal of the item stored to recover fees.
- 6.3 Failure to pay storage fees may also result, following reasonable attempts to notify you, in the sale of your Outfit by the Club. Any proceeds from such a sale shall be put towards outstanding fees.
- 7 STORAGE BOOKINGS AFTER START DATE**
- 7.1 If an Annual Storage Pitch or Seasonal Storage Pitch is booked after the advertised start date of the pitch, the amount due will be calculated on a pro rata basis and payment will be taken at the time of the booking confirmation (or as soon as possible thereafter).
- 7.2 Bookings made for a Seasonal Storage Pitch after the start date can commence up to 28 days in future (but see paragraph 7.3 below).
- 7.3 Seasonal Storage Pitches cannot be booked if there are less than 28 days remaining until the advertised end date.
- 8 CANCELLING STORAGE AND REFUNDS**
- 8.1 If a Member cancels a Seasonal Storage Pitch before the start date or less than half way through the hire period, we will calculate the unused portion of the fees paid, and refund this amount less a £50 administration fee. If the booking is cancelled before any payment is collected, the first payment will be debited from your account, and a pro rata refund will be issued, minus £50 administration fee.
- 8.2 If you cancel a Seasonal Storage Pitch and it is halfway or more through the Licence Period, there will be no refund of any fees paid.
- 8.3 If you cancel an Annual Storage Pitch we will deduct a £50 administration fee, and refund the remainder of the unused portion of the fees. If the booking is cancelled before any payment is collected, the first payment will be debited from your account, and a pro rata refund will be issued, minus £50 administration fee.
- 8.4 If a Member wishes to transfer their existing Storage Pitch booking to an alternative Storage Campsite or Seasonal Pitch, we will refund the unused portion of the fees for the original booking, and payment will be required again for the new booking.
- 8.5 Members who do not intend to renew their Annual Storage Licence when it falls due on 1st January the following year are requested to advise the Club and Site Staff on receipt of their renewal notice, and will need to remove their Outfit from the storage pitch on or before 31st December of the current year. The relevant weekly temporary fees will be due for the storage of any Outfits not removed from the Campsite by this time.
- 9 CAMPSITE STAYS**
- 9.1 Whenever you wish to use the Outfit for overnight accommodation, the Outfit must be towed out of the Storage Compound or Storage Area to a suitable pitch, subject to availability and payment of the normal touring pitch fees.
- 9.2 You are responsible for transporting the Outfit to and from your Storage Pitch. Unless the Campsite provides a store and tow service.
- 10 CHANGE OF OUTFIT**
- 10.1 The Agreement only permits you to store the Outfit described in the Licence, but if you wish to change the Outfit described in the Licence the Club may agree to this. You must notify the Site Staff of an intended change of Outfit (particularly where the size of the Outfit is to change). The Site Staff will notify you if the Club agrees that the new Outfit can be safely stored under the existing Licence. Please note, as space in the Storage Compound or Storage Area is limited there may be circumstances where larger Outfits cannot be accommodated.
- 11 MOVEMENT OF OUTFITS**
- 11.1 On reasonable notice from the Site Staff, you may be asked occasionally to move your Outfit due to maintenance and/or development requirements, including, if required by utility companies, to enable the ground under the Outfit to be 'aired', the grass to grow, grass cutting to take place and tree maintenance.
- 11.2 In the event of a hazard or emergency, such as fire, high winds, flooding or water logging, the Site Staff may need to move, or arrange for the Outfit to be moved immediately to another area or pitch on the same Campsite or off the Campsite. In such circumstances, the Site Staff will give you as much notice as possible.
- 11.3 Once the maintenance and/or development requirements have been satisfied or completed or there is no longer a hazard or emergency, you will be entitled to return the Outfit, where possible, to the original pitch. Where this is not possible, you will be required to move the Outfit to another pitch, as comparable to the original pitch as possible. Please see paragraph 8 in relation to cancellation and refunds.
- 12 CAMPSITE SPECIFIC RULES**
- 12.1 Where specific rules apply to an individual Campsite you will be notified and you should also be aware that special fees may apply in certain cases. The Club will always notify you of these fees before you incur them. If you do not wish to incur these fees you may terminate the Licence Period and the Club will refund to you any portion of the Storage Fee relating to the period after the cancellation date that you have already paid.
- 13 GUEST RESTRICTIONS**
- 13.1 In order to maintain the security and safety at all of our Campsites we do not allow anyone on a Campsite who has been convicted of, or received a police caution for, a sexual offence (listed in Schedule 3 of the Sexual Offences Act 2003) and have been made subject to the notification requirements under the sexual offenders register or a Sexual Harm Prevention Order. If we are made aware that either yourself or a member of your party are subject to these provisions then we reserve the right to terminate your storage pitch arrangement, and any touring pitch booking in advance or whilst on a Campsite during your stay, without refund.
- 14 DATA PROTECTION**
- 14.1 The Club is collecting your personal data for the purpose of providing you with Storage Facilities for your Outfit. Full details of our Privacy Policy which outlines how we process your personal data can be located on our website at the following address:
