## Visitor's top tips

**||** The walk through the woods and along the lakeside into Coniston is beautiful, you can also walk to Torver along the old railway line.

Steamboat rides on the Coniston Gondola and boat hire are available from Coniston Pier (1.5 miles).

Hiring a motor boat or canoe to view all around the lake is a definite must-do.

For great scenery, drive over Wrynose and Hardknott passes.

Ulverston is lovely, with lots of individual shops to browse.

There's access from the bottom of the site across fields to Coniston Water, a short walk brings you to the lakeside launching point for dinghy sailing, windsurfing and canoeing, plus the superb Bluebird Cafe.

Great for walking – The Old Man of Coniston is a challenging walk, we approached via the route that takes you past 'Goats Water' as the climb is less of a challenge.

Take your bike, boots, swimsuit and maps (possibly your waterproofs) and don't forget your spirit of adventure! **||**
